Interested in a Rockin' Good Time?

Time certainly flies! 10 years ago at the Stone Pony in Asbury Park, New Jersey it all came together for the very first time — Spirit of a Child Foundation's **Rockin' with Spirit**. Our headliner was The Marshall Tucker Band and our goal was to raise funds for families devastated by Hurricane Sandy. Well, things have certainly not changed. Hurricanes and other natural disasters still come, families are still in crisis, and you can even throw in a pandemic! But, the one constant has been the Foundation's mission — **We Help Families Grow Stronger**. Through the funds we receive, we maintain our efforts to be there and lend a helping hand, however necessary, to strengthen family bonds and support families in need. This concert is our way to involve and educate the community about our mission and further the growth of the Spirit of a Child Foundation.

Rockin' with Spirit is the pinnacle of our fund-raising efforts and the future success of our foundation. We hope that you will **Catch the Spirit** and join us in our celebration of helping families for the last ten years and for many more years to come.

Callista Clark

Spend an Evening with Callista Clark!

At just 19 years old Callista Clark has a lot to say, wielding her creative gifts as both a defense and an instrument of peace as she puts her heart on display with her full-length debut album **REAL TO ME: THE WAY I FEEL** (Big Machine Records). Produced by Nathan Chapman (Taylor Swift, Lionel Richie, Keith Urban, Mickey Guyton), the album reveals a songwriter of considerable depth and wit and a gifted singer with confidence and an impressive presence unique to someone her age. Co-writing every track, the Zebulon, GA native exudes both strength and vulnerability in pointed lyrics that leave no doubt where she stands as reflected on songs like “Brave Girl,” “Gave It Back Broken” and Top 20 debut “It’s ‘Cause I Am,” with which she became Country radio’s most successful new artist debut of 2021. Recently expanding the album with a deluxe edition, Callista joined forces with Jimmie Allen to offer a fresh take on her sultry standout track “Wish You Wouldn’t.” Joining Opry NextStage’s class of 2022, the 2021 iHeartCountry On The Verge Artist has been featured two years in a row on *Billboard*’s annual “21 Under 21” list and was the youngest member ever named to CMT’s Next Women of Country in the 2022 class. With TV appearances on *TODAY show*, *Live with Kelly & Ryan* and *KTLA*, Callista has garnered acclaim from *Forbes*, *PEOPLE*, *Wonderland Magazine*, *American Songwriter*, *Hollywood Life*, *Sweetie High*, *Holler*, *Nashville Lifestyles*, and more.

REVIVAL

Tallahassee powerhouse

Revival, a Tallahassee musical powerhouse that combines the traditionally energetic sounds of rock 'n' roll with the soulful infusion of captivating jazz vocals.

The Revival is a band comprised of six talented artists, and each member brings their unique skills to the table to form an irresistible performance. Band members Dillon Bradley-Brown, Jeff Davis, Paul Harvey, Avis Berry, John Babich and Chris Skene have been playing music together as Revival since 2018.

Together, the Revival band performs a myriad of classic rock songs and describe themselves as "rock-based, but soulful."

This dynamic energy is what audience members of Revival can look forward to at every show. "People want to feel something," says Dillon, "and music makes that possible. We create the music, and the audience takes that and gives us that energy right back. It's a very circular, energetic thing. You can feel it – it's incredible." Audience members will enjoy not only the original songs written by the band, but also covers of popular hits from *Grateful Dead*, *The Beatles*, *Stevie Wonder*, *Led Zeppelin*, *Rolling Stones*, *Allman Brothers*, *Tedeschi Trucks* and more.
